

Internship or Working Student (f/m/d) Inhouse IT

Germany

For more than 18 years companies of all sizes rely on HighCoordination's management and IT consulting to solve relevant BI, planning and digitalization challenges - efficient, modern and reliable.

Are you looking for first work experience in IT management?

Then this is the right place for you to get a first impression of the IT-Management everyday business routine and to take part from the very beginning.

Location: Radolfzell

Starting date: as of now

Duration: 4 months or more

Form: Mandatory (preferred) or voluntary internship or Working Student

What can you expect?

- Active participation and comprehensive insight into day-to-day IT management
- Shipping, delivery and collection of hardware at the data center
- Commissioning and setup of notebooks and smartphones
- Create user and email accounts
- Assign and manage licenses
- Set up, update and maintain virtual machines
- Generate and manage licenses for our trueChart products

Which requirements should you meet?

- 2-3 semesters of an IT-oriented or economics with focus on IT
- Great interest in IT hardware and software, as well as general IT topics and administration
- Ideally first experience in everyday working life (office, IT department, IT support)
- Motivation, willingness to learn and problem-solving skills
- Very good IT skills
- Fluent in German and English
- Driving license class B

What can you expect?

- Reasonable remuneration
- Flexible work schedule
- A competent and open-minded team

Are you interested?

If so, we want to get to know you. Please send us your complete application documents (with application letter, curriculum vitae, training and working certificates in a PDF document), indicating your preferred internship period, to jobs@highcoordination.de. For further information, please contact Mrs. Stephanie Jäger.

We are looking forward to receiving your application!
