

# (Mandatory) Internship or Working Student (f/m/d) Web Development

**Location: Erfurt**

For more than 18 years companies of all sizes rely on HighCoordination's management and IT consulting to solve relevant BI, planning and digitalization challenges - efficient, modern and reliable.

## **Are you looking for work experience in web development?**

Then this is the right place for you to get a first impression of the everyday working life of a Web Developer and to be part from the very beginning.

Location: Erfurt

Start: as of now

Period: from 4 months

Type: Mandatory internship (preferred), voluntary internship or Working Student

## **What can you expect?**

- Development of leading web-based information design solutions in the field of BI, mainly with JavaScript, TypeScript, HTML5/SVG/CSS3 and Java
- Fun, creativity and freedom in an agile environment (Scrum) and independent cooperation in exciting projects

## **Which requirements should you meet?**

- 2-3 semesters in computer science, business informatics or comparable degree program
- Familiar with JavaScript, HTML5 and CSS3 (possibly Sass, Less)
- First experience in web development
- Strong analytical and conceptual thinking and skills
- Very good German and good English skills

## **Why us?**

- Fair compensation
- Short decision-making processes and a competent and open-minded team
- Flexible working schedule
- Goal of long-term bonding or career formation

## **Are you interested?**

If so we want to get to know you. Please send us your complete application documents (with motivation letter, curriculum vitae, training and working certificates in a PDF document), indicating your salary requirements as well as the earliest possible date of entry, to [jobs@highcoordination.de](mailto:jobs@highcoordination.de) or apply online on our homepage. For further information, please contact Mrs. Stephanie Jäger (Tel. +49 7732 8934 903).

**We look forward to receiving your application!**
